Ojai & Palm Springs

After a few nights in L.A., I ventured to **Ojai** (near [Santa Barbara](#)) and **Palm Springs**. My first stop was the **Ojai Valley Inn & Spa** (905 Country Club Rd; 855-697-8780; www.ojairesort.com), which is a stunning property with a great spa and golf course. There are lots of new, creative boutiques nearby that make for excellent shopping. I finished my trip at the **Parker Palm Springs** (4200 East Palm Canyon Dr; 760-770-5000; www.theparkerpalmsprings.com), which is very popular with chic Angelenos, but needs some minor updating. A charming, boutique option in town is the newly opened **Sparrows Lodge** (1330 E. Palm Fr; 760-327-2300; www.sparrowslodge.com).
