A UNIQUE EGGZIBIT

Welcome to **ART OF THE EGG** — the world's most artistic egg hunt! From March 21 to April 21, half a dozen locally designed and created egg sculptures will be on display throughout the resort.

Use this map as your guide to reference the artists and their work across the property. When you've seen them all, vote for your favorite at www.ArtOfTheEggOjai.com. The artist with the most votes will win a special prize — along with a \$5,000 donation in his or her name to the Ojai Studio Artists Scholarship Fund.

Happy hunting!
